

Year 1 Autumn 1st half
What if you could go back in time?

Week	NC objectives	Big question	REMEMBER (prior knowledge)	KNOW (new knowledge)
1	Changes within living memory.	Who is in my family?	How people in my family lived in the past.	Family trees show significant people in their life stories.
2		How have toys changed over time? (present day, 80s, 60s)	Know some similarities and differences between now and the past.	How toys have changed since the 1960s (more technology is involved).
3		How have TV programmes changed over time? (present day, 80s, 60s)	Changes to toys.	How TV programmes have changed since the 1960s (from black and white to colour / more channels and more variety).
4		How has music changed over time? (present day, 80s, 60s)	Changes to toys and TV programmes.	How music has changed since the 1960s.
5		Do we communicate differently? (present day, 80s, 60s)	Changes to toys, TV programmes and music.	How the way that we communicate has changed since the 1960s (fixed/corded phones to mobile phones / letters to email / use of Skype and Facetime).
6		Would you go back in time or stay in the present day?	How different aspects of life have changed since the 1960s. How to use some historical vocabulary.	How to communicate historical information.
