Schools must use the funding to make **additional and sustainable** improvements to the quality of PE and sport they offer. This means that you should use the Primary PE and Sport Premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment. We recommend regularly updating the table and publishing it on your website as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Achieved Gold School Games Mark • All staff have received one-to-one training in PE • Broad and balanced extra-curricular sports provided across the key stages • All children in Year 3 and year 5 participated in bikeability • Close link forged with the Sports Science Department at Coventry University • Reception classes had “Introduction to Swimming” lessons • Classrooms slowly adapting to using ‘Active 30’ (30 minutes of activity a day.) • Replacement of damaged PE equipment 	<ul style="list-style-type: none"> • Increase the confidence of TA’s and lunchtime staff • Monitoring of lessons • Increase the daily activity of children by looking into schemes such as Active Maths and Active Literacy • Whole schools Real PE training. • Introduction of OPAL for Lunchtimes. • Going for Platinum School Games Mark

Meeting national curriculum requirements for swimming and water safety	Please complete all the below*:
What percentage of your current Year 6 cohort swim competently, confidently, and proficiently over a distance of at least 25 metres?	95%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	80%

What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	90%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

*Schools may wish to provide this information in April, just before the publication deadline.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for students today and for the future.
