Literacy

This half term we will be learning to recognise and write our own first name.

We will learn the sounds masdtinpgockubfelhrjvywzx and begin to practice writing these sounds.

We will practice hearing words broken up into sounds through games and songs.

We will be thinking about different stories and learning new words associated with these words.

Communication and Language

We are learning new words and putting these into sentences when talking in small groups and larger groups.

We are developing our listening and attention by listening to others.

Physical

We are learning about finding a space and listening to and following instructions in PE.

We are doing lots of activities to develop our core strength and fine motor skills and learning how to hold our pencil properly, using our holding fingers and pillow finger.

Personal, Social and emotional development

We are learning our school values and how to be a good friend to others. We are thinking about our emotions and how what we are feeling can affect our actions.

We are thinking about how we are all special and unique and how important our family and school is.

Maths

This half term we are focussing on subitising (knowing how many are there without counting) groups of objects up to 5.

We are also practicing counting objects and knowing the last number counted represents the quantity.

We are working on using the language more, less, fewer to compare groups of objects.

St. Paul's CE Primary School – Year Reception

Autumn 1 Curriculum Newsletter

This is how we are learning to Shine Like Stars in the World through 'Stories'

Expressive arts and design

We are learning to use lines and shapes in our drawings and draw simple representations of characters in stories

We are singing familiar songs and learning new songs.

We are also listening to different types of songs and instruments and responding to them.

We are using our imagination when we do drawing club and trying to be creative with our own ideas.

Understanding the world

We are learning about our past through finding out about when we were babies and how we are now.

We are also looking at where we live and talking about the key features of where we live when we go on a scarecrow trail.
